

Company Profile

TREATMENT HEALING & CARE-making a difference in healthcare

We are a professionally managed public limited company backed up by competent management since its inception in 1982. **Schon Pharmaceuticals Ltd.** is managed by technocrats. Managing Directors **Mr. Anil Bhatia** is M. Pharm, with an experience of 27 years in production industry management & administration. Other team members include, **Mr. S.P. Sharma** B. Pharm, with an experience of 37 years in pharma analysis & marketing, **Mr. S.N. Rathore** M. Pharm with an experience of 31 years in pharma production & marketing. **Mr. Nand Motwani** B. Pharm, with an all round experience of 40 years in pharma profession.

Our entire professional team is highly qualified and proficient in their respective fields. Company's **Goal** is to serve the suffering mankind through high quality products & moderate prices. We have installed a **modern plant** with a state of art of technology to manufacture highly efficacious formulations. Our unit is situated in a pollution free zone with an uninterrupted power & water supply.

Many of our distinctions have to do with vision, philosophy and our commitment. However, the tangible evidence of our value as a company is reflected in our marketed product family. **Schon Pharmaceuticals Ltd.** portfolio features a range of high-quality efficacious products, is among the fastest growing pharmaceutical companies of Central India. **Schon Pharmaceuticals Ltd. is an ISO 9001:2000 Certified Company, with cGMP norms as per revised schedule 'M'.**

The Company is committed to Total Quality Management

The raw and packaging materials are procured either from approved vendors or reliable sources. Sampling is done by the Quality Control Department in accordance with the SOPs by drawing samples for various materials. Samples are tested by the Q.C. Department to confirm compliance to the prescribed specifications. Production is carried out under supervision of FDA approved technical staff, as per the prescribed processes and procedures. The Products are released only after clearance from Q.A. & Q.C. Departments.

We have manufacturing facilities for Small volume Injectables (both Liquid & Dry), Tablets, Capsules, Liquid Orals, Dry Syrups, Ointments & Creams, Eye & Ear Drops and Powders.

We are manufacturing both Oral and Parenteral formulations comprising of

- Antibacterials mainly Cephalosporins
- Antifungals
- Anti Malarials
- Anti Ulcerants
- Anti Inflammatory & Analgesics
- Anti Spasmodics
- Anti Oxidants
- Anabolic steroids
- Oral Re-hydration Salt
- Multi Vitamins & Nutritional products

Note : We have registered a quantum jump in Cephalosporins group sales particularly in Export segment.

Domestic Associates

ERYTHROMYCIN

Tablets / Suspension

ANTACIDS

Tablets / Suspension

NYSTATIN

Tablets / Suspension

ALBENDAZOLE

Tablets / Suspension

TABLETS

Albendazole Tablets
Artemether & Lumefantrine Tablets
Azithromycin Tablets
Cefadroxil Tablets
Cefixime Trihydrate Tablets
Cefpodoxime Proxetil Tablets
Chloroquine Phosphate Tablets
Ciprofloxacin Tablets
Co-trimoxazole Tablets
Cyproheptadine Tablets
Diclofenac Tablets
Diclofenac & Paracetamol Tablets
Erythromycin Stearate Tablets
Folic Acid Tablets
Ibuprofen Tablets
Ibuprofen & Paracetamol Tablets
Ibuprofen, Paracetamol & Caffeine Tablets
Metronidazole Tablets
Naproxen Tablets
Nifedipine Tablets
Ofloxacin Tablets
Pantaprazole Tablets
Paracetamol Tablets
Ranitidine Hydrochloride Tablets
Salbutamol Tablets

OINTMENTS

ANTI BACTERIAL CREAM -
Povidone Iodine Ointment
ANTI BURN & ANTISEPTIC CREAM -
Silversulphadiazine with Cetrimide Cream
ANTI FUNGAL CREAM -
Miconazole & Nystatin Cream
ANTI INFLAMMATORY -
Diclofenac Gel
STEROIDAL CREAM -
Hydrocortisone & Betamethasone Cream
SKIN NOURISHING CREAM -
MAGIC CREAM (Cream Containing - Methyl Sulphonyl Methane, Aloe vera gel & Vitamins in Almond oil)

LIQUID ORALS

COUGH SYRUPS
Dextromethorphan HBr, Guaiphenesin & Phenyl Propanolamine HCl Syrup
Sulbutamol Bromhexine HCl & Guaiphenesin Syrup
Ambroxol HCl, Guaiphenesin & Sulbutamol Syrup
ANTI ASTHMATIC SYRUP
Sulbutamol Sulphate & Choline Theophyllinate Syrup
ANTICOLD SUSPENSION
Phenylpropanolamine HCl, CPM & Paracetamol Susp.
Pseudoephedrine HCl, Cetirizine Di-Hydrochloride & Paracetamol Susp.
Dextromethorphan HBr, Paracetamol, Phenylephrine HCl & CPM Susp.
VITAMIN PREPARATIONS (Tonic)
Antioxidant & B-Complex, Minerals, Iron & Zinc Syrup
Vit.B-Complex Syrup fortified with Vitamin C
Vit.B-Complex Syrup fortified with Vitamin A & D3
ANTI DIARRHEAL
Norfloxacin & Metronidazole Suspension
Ofloxacin & Metronidazole Suspension
CALCIUM SYRUP -
Calcium with Vitamin B12 & D3 L-Lysine
ANALGESIC ANTIPYRETIC & ANTI-INFLAMMATORY SUSP.
Ibuprofen & Paracetamol Susp.
ANTHELMINTIC SUSPENSION -
Albendazole Suspension
ANTIFUNGAL SUSPENSION - Nystatin Suspension
HAEMATINIC WITH ENZYME SYRUP
Protein Hydrolysate with L-lysine Mono HCl, Ferric Ammonium Citrate, Nicotinamide, papain, Zinc Chloride, Mag. Chloride & Vit. B Complex
ENZYME SYRUP -
Pepsin, Pappain with Vit. B-Complex
LAXATIVE & PURGATIVES - Lactulose Solution
ANTACIDS
Aluminium Hydroxide, Magnesium Hydroxide & Semithicone Suspension
Malgadrate with Semithicone & Oxythazine Sucralfate Suspension

Global Vision

DRY INJECTIONS

Amoxycillin & Potassium Clavulanate Injection
Amoxycillin & Cloxacillin Injection
Amoxycillin Injection
Ampicillin Injection
Ampicillin & Cloxacillin Injection
Cefazoline Sodium Injection
Cefoperazone Injection
Cefoperazone & Sulbactam Injection
Cefotaxime Sodium Injection
Ceftazidime Injection
Ceftriaxone Sodium Injection
Ceftriaxone & Sulbactam Injection
Cefuroxime Sodium Injection
Cefipime Injection
Cefpirome Sulphate Injection
Meropenem Trihydrate Injection
Piperacillin & Tazobactam Injection

LIQUID INJECTIONS

α - β Arteether Injection
Artemether Injection
Amikacin Sulphate Injection
Aminophylline Injection
B-Complex Injection
Chloroquine Injection
Cyanocobalamine Injection
Diclofenac Sodium Injection
Dicyclomine Hydrochloride Injection
Frusemide Injection
Gentamicin Sulphate Injection
Hyoscine Butylbromide Injection
Lignocaine Hydrochloride Injection
Lignocaine Hydrochloride & Adrenaline Injection
Lincomycin Hydrochloride Injection
Mecobalamine Injection
Multivitamin Injection
Nandrolone Decanoate Injection
Ondansetron Hydrochloride Injection
Phenylephrine Injection
Piroxicam Injection
Quinine Di-Hydrochloride Injection
Ranitidine Hydrochloride Injection
Thiamine Hydrochloride Injection
Tramadol Hydrochloride Injection

CAPSULES

Amoxycillin Trihydrate Capsules
Amoxycillin Trihydrate & Cloxacillin Sodium Capsules
Ampicillin Trihydrate Capsules
Ampicillin Trihydrate & Cloxacillin Sodium Capsules
Cefadroxil Capsules
Cefixime Capsules
Cephalexin Capsules
Chloramphenicol Capsules
Cloxacillin Capsules
Doxycycline Capsules
Ibuprofen, Paracetamol & Caffeine Capsules
Omeprazole Capsules
Rifampicin Capsules
Tetracycline Capsules
Tramadol Capsules

DRY SYRUPS

Amoxycillin Dry Syrup
Amoxycillin & Potassium Clavulanate Dry Syrup
Ampicillin Dry Syrup
Ampicillin & Cloxacillin Dry Syrup
Artemether & Lumefantrine Dry Syrup
Cefaclor Dry Syrup
Cefadroxil Dry Syrup
Cefixime Dry Syrup
Cephalexin Dry Syrup
Phenoxymethyl Penicillin Dry Syrup

EYE / EAR DROPS

Ciprofloxacin Ophthalmic solution
Gentamicin Eye Drops
Ofloxacin Eye Drops
Tobramycin Drops
